## ASSISTANT PRINCIPAL REPORT CON'T

### Transport

Please remember to contact the school if there are any changes to the student travel arrangements. We have had some instances where information hasn't been passed onto the school. It is important that the students are at the bus stop prior to the agreed departure time, this ensures that the trip to and from school is as smooth as possible.

### Lego Facilitator Training

Several of our staff will be completed Lego facilitator training. We are looking to build Lego club into our programs throughout the school.

### PART Training

On Monday 10<sup>th</sup> of July all staff completed a full day professional learning. The day focussed on de-escalation strategies, reviewing student support plans and communication strategies. All staff participated and will use their learning within their day to day practice.

### Cross Country

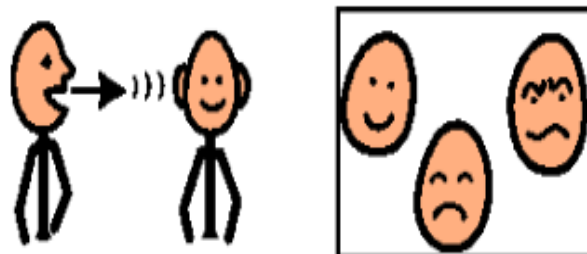

Saxon, Sayge, JJ and Ben travelled to compete in the State Cross Country. We look forward to hearing how they went. We will post the results on the school Facebook page.
