Principals message:

North Melbourne Visit

A few players from the North Melbourne football club will be visiting the school on Wednesday 19th June from 11:30am to 1pm. Students will be given the opportunity to ask the players a few questions before having a kick to kick with them. Students are free to wear their own footy colours on the day.

Casual Dress Day

The students also decided to have a Casual Dress Day on the last day of term. Students can wear whatever they like for a gold coin donation. The money raised will go towards State Schools Relief. They provide uniform and clothing for students that struggle to afford it.

New School progress

Works are well and truly underway for building the new school. The builders are preparing the slab for the 5/6 area of Twin Rivers and the gymnasium. The expected completion date has been pushed back to August 2020. We are currently discussing what happens to our site with the department and Vivid. We are also discussing what Club teen will look like at the new school site.

Karl Stenning has resigned as principal of Twin Rivers Primary School and an acting principal will fill in next term. The official process of advertising the ongoing position will begin shortly.

Staff away

There have been a number of staff away over the past few weeks. Unfortunately, the flu and cold season has hit hard. We appreciate how difficult changes can be to students and families. Rest assured that we have quality staff replacing when people are away. The classroom plan written by the teacher is continued to be followed. Contact the school if you have any questions or concerns.

Our Vision:

To provide inclusive and engaging learning that empowers all students for life

CON'T PRINCIPAL REPORT

Junior School Council

Every Monday the Junior School Council representatives meet with me to discuss issues around the school. Last week the students identified that a few students were getting angry with each other and were fighting. They wanted to get the message across that we all need to be friends and help each other out. They decided to make a number of signs around the school to remind each other to be friendly.
