Principals message:

Orange Day

Last Friday the Campaspe Shire celebrated the One and All Inclusion Projects “Wear Orange Day”. The entire district painted itself orange and, despite a few drops of rain, had an amazing time. Our students spent time with students from Tongala, Rochester and various Echuca schools. This week we are joining Kyabram in celebrations. It is a huge event to organise and we thank the schools and Sharnee for their work. Congratulations to our fantastic students that participated and displayed what inclusion really means.

SWPBS

Echuca Specialist School continues to be proud of the work it does in relation to School Wide Positive Behaviour Support. We have been using the SWPBS strategies over the past 5 years, however it is a continual process of refinement and improvement. At the moment we are reflecting on all parts of our program and would like input from parents. The first important piece of work is reflecting on our handbook and updating it to ensure we are following the right processes. Our current vision statement for SWPBS is :- Staff at Echuca Specialist School will embed a positive learning culture that will encourage and teach the development of social skills within a caring school community environment. We are wanting to simplify this and are proposing :- To teach, and maintain, a respectful and safe learning community. What are your thoughts? Email, call or write in.

CON'T PRINCIPAL REPORT

New School

Work has already started on the Twin Rivers school site. We look forward to the works progressing quickly with an expected completion date of July 2020. There will be an official “Sod turn” to celebrate the beginning of building works in the coming week. The education minister and other dignitaries will be present to mark the occasion. School council, staff and students will now begin the exciting process of being co-located. We hope to have school council meetings, staff meetings and student visits over the coming months.

COUNCIL OF AUSTRALIA
Leading us to a future of reconciliation
RINW2019 @WardrobeTruth

What is National Reconciliation week?

It is a time for all Australians to learn about our shared histories, cultures and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

Our vision of reconciliation is based and measured on five dimensions: historical acceptance: race relations: equality and equity: institutional integrity and unity.

VCAL Tuesday Recycling group need your bottles and cans.

We need your help. The Tuesday Recycling group are collecting recyclable bottles and cans to be processed at the Moama recycling plant. We currently collect two bins from the Moama Bowling Club as part of our program. We are hoping to expand our process.

You can help by saving your small glass bottles, unfortunately wine bottles and milk bottles cannot be recycled. Bring your recyclables into room 19 anytime and we will process them in our program.

We need your Stubbies, water bottles, soft drink bottles. All bottles we can use have the recycling symbol and 10c written on the label. Labels need to be on the bottles.

Thanks
