# Principals Report

## End of term

A reminder that Friday 23<sup>rd</sup> June is the last day of term. School finishes an hour earlier than usual, at 2pm. Please make adjustments with your pick-up times for your child from school or the bus. I hope all of our school community has a relaxing and safe break. School returns on Monday 10<sup>th</sup> July.

## SSG meetings

SSG meetings will be held on Wednesday 21<sup>st</sup> June. Ensure you have a time booked to see your child's teacher. This can be completed through Sentral or by making contact with the teacher/school. SSG meetings are a vital part of supporting and celebrating the successes of your child. We look forward to seeing everyone on Wednesday.

## Reports

Teachers have been working hard on reports over the past month or so. Much work goes in to the reports to inform you about your child's progress. Reports will go home on Monday 19<sup>th</sup> June. Feel free to discuss results at the SSG meetings.

## PRINCIPAL REPORT CON'T

### Cross Country

Several of our students competed at the next level of school cross country last week. Ben, Saxon, JJ, Connor and Sayge all made it through to the state cross country championships in July. We congratulate them and wish them all the best.

### Illness

There has been large amount of student and staff absences due to illness. This has included covid, gastro, flu and the cold. Please keep your child home if they are showing any signs of illness. Gastro has been especially challenging. If your child vomits or has diarrhoea they must stay home for the next 24 hours.

### Student survey

The students have recently completed the school opinion survey. This is an opportunity for students to have a voice and give feedback to us about the school. The results have just been sent through. Staff and school council will look at the data and make necessary adjustments to improve the school. Overall the initial results were extremely positive. Parent opinion surveys will go out early in term 3. We look forward to getting feedback from parents as well.

Pie's will be delivered to school on Friday 16th June.

## Sentral Parent Portal

Sentral Parent Portal is an important communication app between parents and our School. Parents are able to submit current and future absences, approve excursions, download student reports, access the Newsletter and view calendar of events. We would like to encourage all our families to download the FREE app. All families have been provided with login and access details. If you have misplaced these details please come and see Jenni in the office on SSG day and she will be more than happy to help you.
