It is coming to the time of year where we start to prepare the students for the changes for 2023. For some students there will be a range of transitions including, moving into a new pod, new staff and new peers. We will support the transitions in a range of ways, we will have two transition sessions, these will occur on Tuesday 29th of November and Tuesday 6th of December from 9.30-10.30. In addition to this there will be additional transition activities organised by the classroom staff.

Professional Practice Day

Friday 16th of December is a pupil free day. On this day the staff will be working in teams to plan and prepare for the 2023 school year.
